## **B.1 Nevada Earthquake Safety Council**

The mission of the Nevada Earthquake Safety Council (NESC) is to advise the Nevada Earthquake Risk Reduction Program. The Council facilitates public input, develops consensus about seismic issues within the public and private sectors, and is the public advisory body for State seismic safety policy. The Board of Directors is listed in the latest meeting minutes. The business of the Council is conducted by the Board of Directors, which is composed of 22 Directors. 12 Directors shall

constitute a meeting quorum. Voting shall be by Directors and a representative from the Division of Emergency Management.

The Board of Directors shall be appointed by the Division of Emergency Management. Prior to the Fall meeting, the Chairperson shall appoint a three (3) person ad hoc nominating committee. At the Fall meeting, the Committee shall nominate their proposed list of Directors. Additional Directors may be nominated from the floor. The nominations shall conform to the board membership categories as shown. These nominations will be forwarded to the Chief, Division of Emergency Management for an official appointment. The recommended term for Board of Directors is two years, with no limitation on re-appointment. Newly appointed Directors shall assume their office immediately if the position is vacant; otherwise at the next scheduled Council meeting. Any Director who is unable to attend a specific meeting of the Board of Directors of the Nevada Earthquake Safety Council may designate, in writing to the Chairperson, an alternate. This alternate shall be for a specific meeting and is empowered to take all actions the Director is empowered to take. Board membership is composed of representatives from:

- Business and Industry:** 1 Southern
